ESTIMATED U.S. LIVE POULTRY SLAUGHTER

UNDER FEDERAL INSPECTION FOR WEEK ENDING 28-Oct-2006

	Current Week	Previous Week
Broiler/fryer	166,570	165,120

MIDWEST Preliminary majority prices for next week's trade into the Chicago area were unchanged. Whole broiler/fryer market tone was mostly steady, instances firm on 2 3/4 to 3 1/2 pound birds. Offerings mixed with 2 3/4 to 3 1/2 pound birds tight and all other weights fully available. Retail movement was unchanged from previous trade period, generally slow to light. Food service demand mostly moderate, occasionally good into some locations for weekend sporting events. Floor stocks were in a full range; weights mixed. Parts offerings were more limited as packers had cleared most of the current product for the weekend. Trade on parts remained limited and selective as buyers were generally disinterested. The market tone was mostly steady on all parts.
